

Edgewater Beach Cleanups 2011

Sponsorship Opportunities Available Now!

Celebrate our local water by investing in cleaning our beaches! Sustainable Water 2019 will be combing Edgewater Beach and the surrounding park area picking up and counting litter, testing water quality, and reconnecting the community to **OUR LAKE!**

Increase your support to Cleveland’s sustainability community and **Sustainable Water 2019** while making your organization more visible! Support the volunteer efforts of local school groups, college student volunteers, scouts, community organizations, and local business owners, residents, and visitors.
